ADDITIONAL FEATURES

POWERWASH® CYCLE WITH DEEP WATER

The PowerWash® cycle with deep water drenches loads and ensures all detergent is mixed into every wash.

4 DEEP WATER WASH CYCLES

Select the Delicates, Bulky/Towels, Mixed or PowerWash® cycle and get the maximum water level needed for a deep water wash clean.

AMERICAN PRIDE

We take pride in building strong, reliable appliances for commercial and residential environments. From our Clyde, Ohio commercial assembly line to you, this washer is proudly designed, engineered and assembled in the U.S.A.

STAINLESS STEEL WASH BASKET

The heavy-duty stainless steel wash basket wicks moisture away from clothes and is tough enough to resist everyday wear and tear.

OUR BEST RESIDENTIAL WARRANTY COVERAGE AVAILABLE FOR COMMERCIAL-GRADE IN-HOME LAUNDRY

Our best warranty available for a commercial-grade, in-home laundry appliance comes standard with this Maytag. We confidently back this washer with a limited parts **residential-use** warranty that includes all parts for the first 5 years, a limited parts **multihousing-use** warranty that includes all parts for the first 3 years, and a limited parts **commercial-use** warranty that includes all parts for the first 1 year.
